

## **Being an LWA Trustee-Director**

Living Without Abuse is looking to recruit new Trustee-Directors to the Board.

The Board is currently made up of five members, with a wide range of skills and experience, but we are looking to expand the team, to bring new knowledge and expertise.

### **What we are looking for**

At this stage we are not looking for specific skills or experience, primarily we are looking for individuals who are passionate about making a difference and ending violence against women and girls.

We are seeking Board members from diverse backgrounds, including relevant work and life experience. LWA is a Women's Aid member and a VAWG (violence against women and girls) specialist service, and as such the opportunity is only available to women.

### **The commitment**

The Board meets every 4-6 weeks, usually at our Loughborough office, but with an option to join the meeting online via Teams. Board meetings are within office hours and generally last 2-2.5 hours.

There will be opportunities to get involved in other activities, depending on your availability and interests.

### **More information**

For more information on the duties and responsibilities of Board members please see the enclosed Charity Trustee Guide and LWA Trustee-Direct role description and person specification.

### **Next Step**
